Peak Peptides

CERTIFICATE OF ANALYSIS

Product Name:	**TB 500**
Batch/Lot Number:	**019762**
Vial Size:	**10MG**
CAS Number:	**885340-08-9**
Molecular Formula:	**$C_{38}H_{68}N_{10}O_{14}$**
Molecular Weight:	**889.01 g/mol**
Peptide Sequence:	**Ac-Leu-Lys-Lys-Thr-Glu-Thr-Gln**
Appearance:	**White Lyophilized Powder**
Purity (HPLC):	**98.89%**
Test Date:	**March 2026**
Expiry Date:	**March 2028**
Storage Conditions:	**Store at -20°C in a dry, dark place. For long-term stability, keep lyophilized and sealed.**

Manufactured by: Peak Peptides (peakpeptides.ca)

Tested by / Analyzed by: Third-Party Independent Laboratory (HPLC-UV method) — Shijiazhuang (Hebei Province)

Quality Statement: This Certificate of Analysis confirms that the above product meets or exceeds our strict quality specifications. All testing performed using validated HPLC methods.

Disclaimer: For research use only. Not for human consumption, diagnostic, or therapeutic use. Keep out of reach of children.
